

Backlog

The screenshot shows the Jira Backlog view for the 'News Tracker Application' project. The left sidebar contains a navigation menu with 'Backlog' selected. The main area displays a list of issues organized by sprints. The top sprint is 'NTA Sprint 3 7 Nov – 12 Nov (1 issue)' with a status of 'Complete sprint'. Below it is 'NTA Sprint 4 14 Nov – 19 Nov (1 issue)' with a status of 'IN PROGRESS'. The issues are listed with their titles, labels, and assignees. A 'Quickstart' button is visible in the bottom right corner.

Board

The screenshot shows the Jira Board view for the 'News Tracker Application' project. The left sidebar contains a navigation menu with 'Board' selected. The main area displays a Kanban board with three columns: 'TO DO', 'IN PROGRESS 4 ISSUES', and 'DONE'. The 'IN PROGRESS' column contains two issues: 'NTA-3' and 'NTA-2'. The 'TO DO' column is empty. The 'DONE' column is also empty. A 'Quickstart' button is visible in the bottom right corner.
